GAME FORMAT

- **Teams play 3 games against their opponent, all consisting of 10 frames.**
- **Scoring is in relation to games WON, not total points. Scores at the end of the night should reflect 3-0 or 2-1.**
- **Playoff Ties: In the event there is a tie (e.g., Team A won Game 1, Team B won Game 2, and in Game 3 both Team A and B scored the same number of points), the team with the highest scoring player in Game 3 wins the match.**

ILLEGAL PLAYOFF ROSTER

- **This only applies to players competing in a League Championship match (ranked 1-2). Follow these steps if anyone is concerned over the legitimacy of another player:**
 - **Ask the team captain if the player in question is listed on their roster (everybody playing must be listed on the roster and if ranked 1-2, must have played at least one match during the regular season).**
 - **If no – they are not allowed to play in the game (this was included in the playoff email sent by the Club and shouldn't be a surprise to them).**
 - **If yes – they are allowed to play but grab the full name of the person in question and include a quick summary of what happened in your score report. The office will then investigate further.**

If there are any problems during the night, call the Emergency Phone Line at 780-757-5225.

****Please read ALL black announcements****

The green and red is information to assist you; they may not always be necessary to read out loud.

- *Please mention that this is just protocol to ensure everybody is following the rules and guidelines and if they are saying everybody is legal, then there shouldn't be any worry about providing their teammates name. If the player in question ends up being illegal and wins the League Championship, the results of that game will be reviewed and there is a chance their win could be overturned. As such, this is the best opportunity to come clean!*

DEFAULTS

- *Ensure teams avoid defaults (1 player). If requirement isn't met, team will lose 0-3. Fee is \$30.*

START GAMES

- *Announce who is playing who on which lane.*
