General Information

Parking: Free parking is located on the south side of the building.

Entrance: The entrance is on the South side of the North building. The gym is located in the North building; this is where all games will take place.

Gym Location: After walking into the North building, go straight to the gates to enter the paid gym area. Go straight up the stairs. The gyms are to the left at the top of the stairs, inside the velodrome track. The gym closest to the stairs is gym 1. Gym 2 is closer to the mini fitness center. The gyms have red mesh netting around them. To enter the gym, go to the corners where there are openings. There is another middle netting that divides each half of the gym (teams should have 1 whole gym). Facility staff can lift this mesh to give access to the full court. Players can wait outside of the gyms on the benches until the booking begins.

Floor: Volleyball lines are the inside red lines, Basketball lines are outside blue lines.
