General Information

Parking: There is visitor parking on the Northeast side of the school and in the front parking lot. There is access to the parking lot from Chapelle Drive.

Entrance: EC will have to ring the after-hours bell at the front door to let the custodian know they are walking to the Northeast door to be let in. Players can enter through the doors attached to the Northeast parking lot. You may enter 15 minutes before your scheduled booking. These same doors must be used for all entry and exit within the facility.

Gym Location: When you enter the school, walk straight ahead to the barrier, and turn left.

Change room/Washroom: The change rooms/washrooms are inside the gym along the South wall.

Floor: The floor is hardwood with orange lines for volleyball, white lines or badminton/pickleball, and black lines for basketball.

Equipment

Sport Specific Equipment Location and details: Volleyball equipment can be found in the equipment room. Please put equipment away where you found it at the end of the night.

Gym Set-up

Volleyball:

Step 1: Set up the posts in the appropriate holes. The outside posts will go in the holes located closest to the wall. The holes have a silver cover. Ensure there is a post sleeve in each hole before putting posts in.

Step 2: Hook up the top of the nets first. Hook the top of the net onto the hook on the top green ratchet strap. Do the same for the bottom of the net.

Step 3: Tighten the tops of the nets first using the wench. Do not overtighten

Step 4: Tighten the bottom of the nets using the wench. Do not overtighten.

Step 5: Repeat steps 2-4 for the opposite court.

Basketball:

The basketball hoops should be down when you arrive. If they are not down, please ask the custodian to lower them. The backboards are regulation size glass with break-away rims.

Court Lines: The court lines for this gym are black. The gym does have a three point line.

Player Benches: Players can sit on any bench on the side on the gym outside the court area.

Badminton

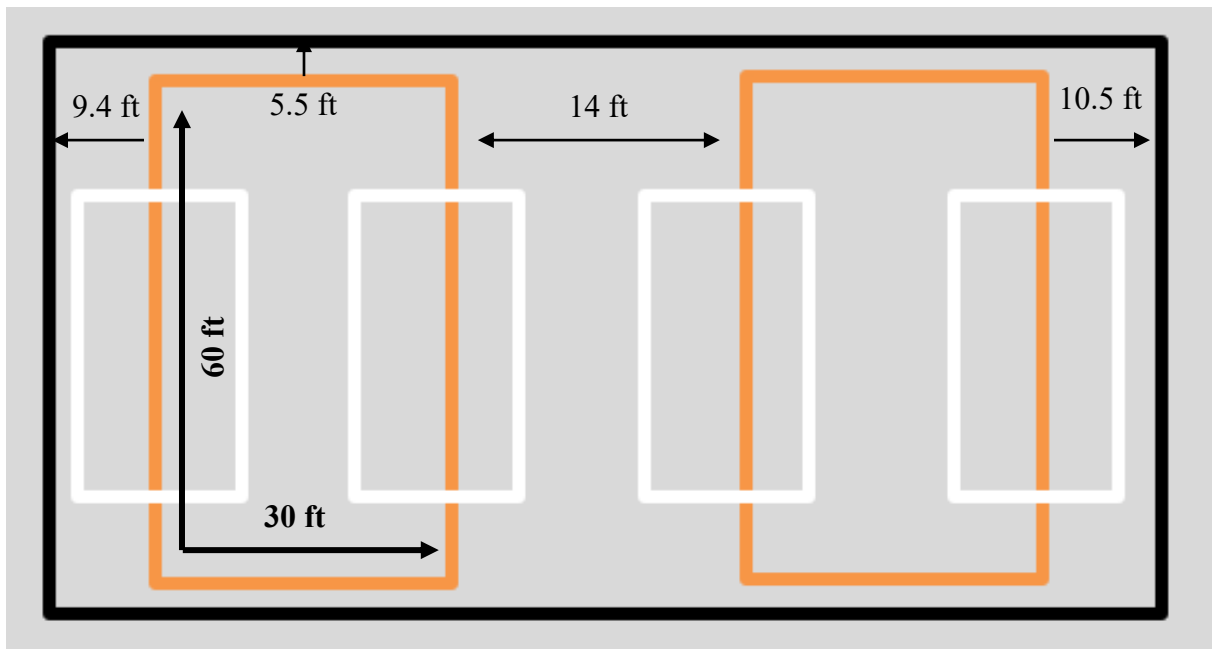

Step 1: Remove post hole covers and insert the poles into the post holes. There are 5 posts total.

Step 2: Thread the string on the top of the net through the hole on the top of the pole, then wrap the string onto the hook on the middle of the pole.

Step 3: Thread the string on the bottom of the net through the hole on the center of the pole, then wrap the string around the pole and tie the string onto the hook slightly above this hole.

Step 4: Turn the poles to tighten the nets.
