Gym Set-up

Volleyball

Step 1: Setup one post with a crank and one without for each court

Step 2: Ensure the posts are oriented with lip facing inwards. This allows for the straps that connect to the nets to run smoothly over the lip of the post (See photo #4)

Step 3: Clip the top and bottoms of the net to both posts. Ensure that the net is set at the men's height setting.

Step 4: Use the crank to tighten the top of the net and the velcro straps to tighten the bottom.

Step 5: Repeat these steps for the other court.

Basketball

Court Lines: Green basketball lines. This gym does have a 3pt line.

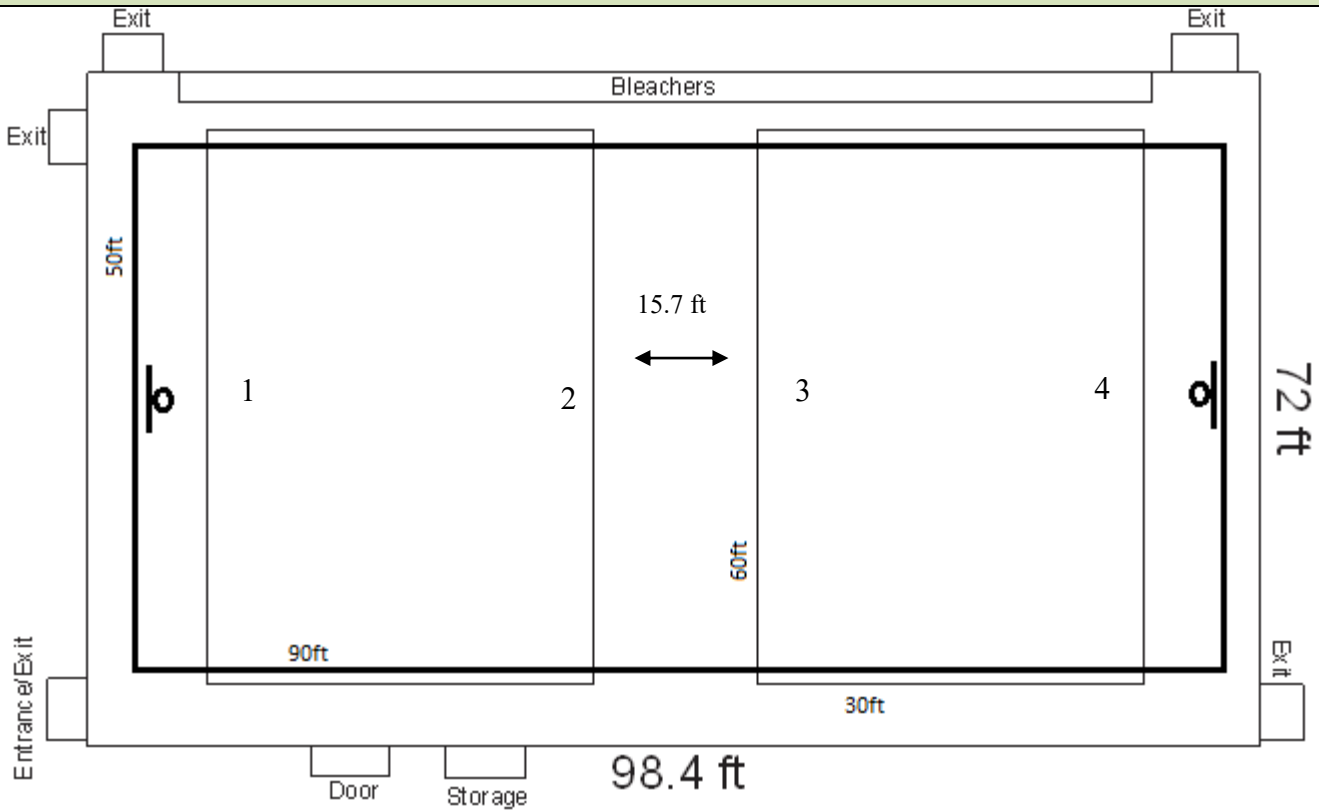

Player Benches: Players can sit on any bench outside of the area of play. Please do not take out the bleachers.

The backboard is a regulation glass backboach with a break-away rim.
