Gym Set-up

Volleyball

Step 1: This is a 3 pole system instead of the typical 4 pole. There is a central pole (with cranks on both sides) that is to be placed in the centre of the gym (between the green court lines). The other poles (with one crank only) go on the outer ends in the blue caps in the floor.
Step 2: Take the nets and clip them onto the top loops of the posts. Crank to tighten
Step 3: Take the bottom of the nets and clip them to the bottom loops. Crank to tighten
Step 4: Do NOT over tighten the nets
Step 5: Repeat on the opposite court.
