**Gym Location:** The gym is straight ahead after entering the school.

**Changeroom/Washroom:** Players can change in the washrooms that are in the hall behind the stage or change in the change rooms opposite the stage. Water fountains can be found in the hallway outside both gym entrance doors.

**Floor:** There should be brooms and a garbage can in the northwest corner of the gym that can be used to clear dust and debris from an already sticky/slippery type of floor. The basketball court lines are black and green. The badminton court lines are white.
