DEFAULTS

- **Ensure all teams have enough players to avoid a default. The minimum number of players at the scheduled start time is 4 players. Of the minimum 4 players, at least 1 must be female.**
- **If this requirement is not met, the team will automatically lose the first game 0-25 and will then have 15 minutes to meet the minimum player requirements. If the requirements are still not met, the team will lose the second game 0-25 and effectively default the entire match. This process will repeat for the second match, if applicable. Default fee is \$45/match.**
 - **If a team has only 1 female player (and more than 4 male players), they cannot substitute a male player for the 2nd female position. This is not a default. The game will still be played, but the team must play 1 player down, leaving the 2nd female position empty.**
