#### GAME FORMAT

- **Matches are best of 3 games: rally point to 25, 25, and if necessary, 15.**
- **Games can be won by 1 point. In other words, first to 25 wins!**
- **A third game cannot be started if there is less than 5 minutes remaining in the match.**
- **Rock, Paper, Scissors for serve in the first and third games. The opposite team serves first in game 2.**
- **Playoff Ties:**
  - **The current game counts as long as at least 5 combined points have been played.**
  - **If 5 combined points have not been played, and each team has won a game, the team with the higher point differential through Games 1 and 2 is the winner.**
  - **If still tied, one additional point must be played to determine a winner.**

#### ILLEGAL PLAYOFF ROSTER

- **This only applies to players competing in a League Championship match (ranked 1-4). Follow these steps if anyone is concerned over the legitimacy of another player:**

If there are any problems during the night, call the Emergency Phone Line at 780-757-5225.

**\*\*Please read ALL black announcements\*\***

**The green and red is information to assist you; they may not always be necessary to read out loud.**

- **Ask the team captain if the player in question is listed on their roster (everybody playing must be listed on the roster and if ranked 1-4, must have played at least one match during the regular season):**
  - **If no – they are not allowed to play in the game (this was included in the playoff email sent by the Club and shouldn't be a surprise to them).**
  - **If yes – they are allowed to play but grab the full name of the person in question and include a quick summary of what happened in your score report. The office will then investigate further.**
  - **Please mention that this is just protocol to ensure everybody is following the rules and guidelines and if they are saying everybody is legal, then there shouldn't be any worry about providing their teammates name. If the player in question ends up being illegal and wins the League Championship, the results of that game will be reviewed and there is a chance their win could be overturned. As such, this is the best opportunity to come clean!**

**DEFAULTS**

- **Ensure all teams have enough females/players to avoid defaults (4 total players with 1 female is the minimum at start time). If this requirement isn't met, this team will automatically lose the first game 0-25 and then has 15 minutes to meet these requirements or they will lose the second game 0-25 and effectively the entire match. This process would repeat for the second match. Fee is \$45/match.**

**START GAMES**

- **Announce who is playing who on which court (you decide). Repeat for Match 2.**

**EC SHIFTS**

- **You are scheduled to EC each time your team is listed on the schedule!**
