- We will end match 1 at **8:00 PM.**

GAME FORMAT

- *Teams play two matches; each match will be 5 ends with a time cap of 1 hour per match.*
- *At the conclusion of each end, players should confirm the score prior to beginning the next end.*
- *If you are required to call 'time' on a match, have teams finish their current end, and report the score as it is.*
- *A 'Mercy' should be called when one team gains a lead of 8 points. The score will freeze, and teams are encouraged to play the rest of the game for fun.*
- **Playoff Ties:** *If the game is tied after 5 ends, teams will proceed to a 6th tie-breaker end.*

ILLEGAL PLAYOFF ROSTER

- *This only applies to players competing in a League Championship match (ranked 1-4). Follow these steps if anyone is concerned over the legitimacy of another player:*
 - *Ask the team captain if the player in question is listed on their roster (everybody playing must be listed on the roster and if ranked 1-4, must have played at least one match during the regular season).*
 - *If no – they are not allowed to play in the game (this was included in the playoff email sent by the Club and shouldn't be a surprise to them).*
 - *If yes – they are allowed to play but grab the full name of the person in question and include a quick summary of what happened in your score report. The office will then investigate further.*
 - *Please mention that this is just protocol to ensure everybody is following the rules and guidelines and if they are saying everybody is legal, then there shouldn't be any worry about providing their teammates name. If the player in question ends up being illegal and wins the League Championship, the results of that game will be reviewed and there is a chance their win could be overturned. As such, this is the best opportunity to come clean!*

If there are any problems during the night, call the Emergency Phone Line at 780-757-5225.

The green and red is information to assist you, they may not always be necessary to read out loud.

DEFAULTS

- *Ensure all teams have enough players to avoid defaults (2 total players). If this requirement isn't met, this team will lose 0-8. This process would repeat as soon as the second match starts. The fee is \$30/match.*

START GAMES

- *Announce who is playing who & where. Repeat for second match.*
