

# ILLEGAL BAT LIST

Last Updated: January 2026

Any bat listed below is considered illegal in all ESSC Slo-Pitch leagues. Players caught using illegal bats may face suspension or ejection. Please ensure these guidelines are followed at every game:

- Print the illegal bat list and bring to each game.
- Check your opponent's bats before the game and invite them to check yours; put aside any illegal bats so they are not used in the game.
- Please use only the yellow Worth softballs provided by the ESSC (each team gets 3 free balls per 8 week season); these are designed to travel less distance. If you need to pick up your balls, just come down to our [office](#).
- As of January 1, 2013, bats must have either one or a combination of these stamps shown below (there may be newer versions of the below stamps). **This includes composite and/or wooden bats.** Any bats that do not have one or a combination of these stamps will be considered illegal. If the bat has these stamps and are also seen in the list below, they are still considered illegal.
