DEFAULTS

- ***Ensure all teams have enough players to avoid defaults (1 total player, either male or female is the minimum at start time). If this requirement isn't met, this team will automatically lose the first two games and then has 15 minutes to meet these requirements, or they will lose the next two games. If they do not show up at all, they will forfeit the entire match. This process would repeat as soon as the next match starts. Fee is $30/match.***
- ***If there is a male-male team in your co-ed league, please check in with the teams with the following options:***
    - ***a) Play 1 vs. 2 and alternate the males between games.***
    - ***b) Play 2 vs. 2 if they agree that the mercy win will automatically go to the opposing team.***
    - ***These options should be presented to the teams but if the opposing team wants to play a legitimate 2 vs. 2 match and count the scores, they must indicate that before they play them and then cannot change their mind based on the results.***

START GAMES

- ***Announce who is playing who on which court (you decide). Repeat for 2nd & 3rd match.***

GAME FORMAT

- ***The time slot will include a 5-minute warm-up, two 40-minute matches, and 5-minute intermissions.***
- ***All Tennis leagues use a rally-point scoring system.***
    - ***Advantage rules will apply, meaning that a game must be won by two points.***
- ***Each match consists of a single set.***
    - ***The team to win the most games during the set will be declared the winner.***
    - ***When time expires, the current game will be played out, and the score will stand.***
