Edmonton Sport & Social Club Community Involvement - Past Contributions

Our mission: The ESSC will support the local community and help others. The Club will assist organizations that have similar values and/or a passion for making Edmonton a better City for everyone to call home. As well, the ESSC will lead by example and promote ecological awareneses in order to help reduce the impact on the environment.

This document is a summary of significant contributions the Edmonton Sport & Social Club has made in past years.
